July 31, 2019

On July 29, 2019 President Oren Barzilay had the honor of representing our Union in a historical World Trade Center VCF bill signing at the Whitehouse. A legislation that will fund victims or their families through the year 2090 for health ailments, injuries or death resulting from working during the September 11, 2001 terrorist attack rescue and recovery efforts.

Thank you to all the unions, legislators, advocates and the public for their support.

Respectfully,

Carl Gandolfo  
Recording Secretary
