VICE PRESIDENT

Brothers and Sisters,

SECRETARY-TREASURER
Lance Winfield

Recently the City has come to an agreement with the MLC on behalf of DC37 and other unions. We were given this agreement draft and have decided to respond with an independent counter offer due to our disagreements and contentions with both language and their proposed agreements. We understand time is of the essence and the Executive Board has been working endlessly to continue to answer your questions and provide the most accurate information as we receive it. As information is confirmed, we will continue to disseminate it to the members. We thank you for your support and your patience as we continue to fight for fair treatment for our members in regard to the vaccine mandate.
