Dear Members:

We are pleased to announce the launch of our new and improved Member Benefit Program through our long standing partner the Voluntary Insurance Program (VIP).

Over the past few months we have worked closely with the leadership of VIP to build a better benefit plan for you and your family.

Most importantly, for those choosing our new Short Term Disability plan, you will no longer need an Employer Sign-off to file a claim.

VIP has a long history of partnering with New York City labor unions and organizations to make sure members and their families have access to first-class, affordable benefits from leading insurance carriers in the marketplace. Over the years, many of our members have seen first-hand how VIP insurance can help preserve their families' financial well-being.

Coverage Options for You and Your Family

Members can enroll in the following voluntary benefit plans at Guaranteed Issue, which means you do not have to answer any medical questions to get covered. Once you enroll, premiums are paid through convenient payroll deduction.

- Short Term Disability
- Personal Accident
- Critical Illness with Cancer Care
- Permanent Life Insurance
- Purchasing Power
- Supplemental Dental
