Vice Presidents Report

February 3, 2021

VICE PRESIDENT

Michael Greco

Litigation:

Currently we have several outstanding Lawsuits. Pay equality being the main one. While COVID has put a hold on a lot of hearings, we are currently in federal EEOC while they are investigating. The change in president means a new DOJ. Hopefully we can expect a decision from them sometime this year.

SECRETARY-TREASURER

RECORDING SECRETARY

Discipline:

89 compliance. As we all know responding to and staying within our 89 is part of the ops guide. Recently they changed CSL to area Home atom. If you are having an issue finding a spot to sit in your atom. Please fill out a field feedback form and include the change and reason you need it.
