SUBJECT: **Health Care Worker Bonus Program Updated**

FDNY's web portal for the State's health care worker bonus program is now available; the portal can be accessed at: https://apps.fdnycloud.org/hwb.

EMTs, Paramedics, Certified First Responders, and other personnel who meet eligibility criteria (see portal for details) should log onto this portal to complete required forms as soon as possible. Forms for this first vesting period must be completed by Monday, August 29th.

Note that there are 5 vesting periods and members can only be submitted for 2. Missing the deadline for the first vesting period does not impact eligibility for future vesting periods. The process for the next vesting period will take place in October.

Inclusion in FDNY's submission is not a bonus guarantee; the State (not FDNY) will be making all final eligibility determinations.
